

STONEHENGE BATTALION

NEWSLETTER

DEAR ESTEEMED ALUMNI,

We are proud to share that the Stonehenge Battalion you helped build has been growing strong and achieving excellence. Cadets have had high expectations and shown tremendous growth under the leadership of LTC Brett Weir and CPT Erica Stitt. Recruitment was extremely successful over the summer with a total of 19 MS-1s joining the battalion, giving the MS-2's and 3's the opportunity to lead and develop the newest members of their squads. Our contracted cadets had an average AFT score of 432, above the 3rd BDE average, and an average GPA of 3.394, above the S&T campus average. We would also like to congratulate CDT Scott Stutsman on achieving RECONDO at Cadet Summer Training and recognize our AY26 Distinguished Military Graduates: CDT Tyler Tiller, CDT LeeAnn Radlund, CDT William Muldoon, and CDT Corey Hubkey. Our cadets continue to set the standard for excellence in the Scholar - Athlete - Leader domains.

We would love to have you join us for our end-of-semester Awards Banquet on 01 MAY 2026 and our Spring Commissioning Ceremony on 16 MAY 2026. Please contact LTC Weir or CPT Stitt for additional details if you would like to attend or support.

**SINCERELY,
THE STONEHENGE BATALLION,**

FIELD TRAINING EXERCISE (FTX)

During the Fall semester, Cadets took part in an FTX to enhance their Warrior Skills. The focus this year was basic rifle marksmanship, land navigation, and negotiating the Confidence Tower. We leveraged the FTX as an opportunity to bring together cadets from Mizzou and Lincoln University since S&T will be joining forces with these programs as part of the Cadet Command Realignment and Optimization
